

Earth Day Clean-Up 2010

Who: The Nature Conservancy Volunteers and Professionals (TNCVP's) and you!

What: Cleanup trash (gloves and bag provided) and learn about our part of the Arkansas River.

Where: Helmerich Park, 7301 S. Riverside Drive, Tulsa, Oklahoma (near the children's playground site)

When: Thursday, April 22 from 11:30 a.m. – 2 p.m.

Why:

- Celebrate Earth Day and connect with nature.
- Network with other conservationist in the area.
- Stay a while if you are able for an early hike /cleanup led by scientist and TNC State Director, Mike Fuhr.
- Bring your own lunch and join us from noon to 1 p.m. for a lesson about how the Least Tern uses the sand bars in the Arkansas River.
- Learn about Oklahoma rivers and our ecological system
- Learn basic tree identification
- Free t-shirts, water and granola bars will be given to the first 100 guests

How:

- Please RSVP to the event via our Facebook page, www.facebook.com/thenatureconservancy
- Just show up
- For more information visit our Facebook page or web site www.nature.org/Oklahoma
- Questions? Contact Nancy Hatfield at 918-585-1117 or email nhatfield@tnc.org
